MANAGEMENT: LEADING YOUR TEAM & RAISING THE BAR

Overview of course

Our Leading Your Team and Raising the Bar course is essential for team leaders and managers who want to improve the performance of their team. Turning your team or department into an active and successful team takes consistent hard work, commitment, trust and organization.

In this atmosphere, the team works together in an organised manner to achieve specific goals and their relationships are based more on equality rather than hierarchy.

Our workshop sizes are kept to a maximum of 12 delegates to ensure our experienced trainers have time to help individuals understand any complex points.

Who is it for?

This course is designed for team leaders and managers who are looking to build a more motivated, solution-orientated, skilled working environment - one that everyone is happier with and proud to be part of.

What will you learn?

We will show you how to understand individuals in your team and how to work with the different personalities that are present in your group. You will learn techniques to help you lead your team in a motivational way and deal with resistance that you could encounter from members of your team.
